

"On Earth as it is in Heaven"

*The Call to **Living Sustainably** and its impact on **Community, Fellowship and Mission.***

We learn from our gardens to deal with the most urgent question of the time: How much is enough? (Wendell Berry)

Contemporary Christianity's theme for 2017 is: **"Just Living in a Post-Truth World."** Join us for a half-day seminar to explore the interconnectedness of concern for the poor, concern for creation, stewardship of the earth's resources, and the transformative potential of the Christian commitment to these principles in this "post-truth" era.

Contributors include:

- Prof. John Barry (*QUB*)
- Jonny Hanson (*Jubilee*)
- David Smyth (*Evangelical Alliance*)
